Section.

There are too many inspections of Taluk Treasuries at present and that too at short intervals. One detailed inspection by the Sub-Division Officer and one by the District Treasury Officer in a year are sufficient. Deputy Commissioners may inspect Taluk Treasuries once a year. During the monthly inspection of cash in Treasuries, cash balances as well as imprests and remittances in transit should be completely checked. The question of keeping a single imprest in lieu of several imprests should be examined. Inspection of cash of all kinds should form an essential part of surprise inspections.

— imprest of Rs. 500 should be allowed in the case of talukas where the record of rights are is introduced. It is respectfully submitted that there seems to be no necessity for allowing an extra imprest in this regard. Although special deputy mamlatdars are appointed for the work, yet it is only the Mamlatdars who attend to the work and any petty expenditure incurred can be paid out of the imprest at their disposal. There does not seem to have been any demand for imprest from the talukas of Navsari, Bulsar & Dawanpur where the R.R. has already been introduced & preliminary work done. Even if the Deputy Mamlatdar is put in charge of this work, the Mamlatdar may allot some advance out of the imprest at his disposal. It is therefore doubtful whether imprest has still to be given in future with reference to this work.

The Survey Officer has been given imprest for the work in this connection separately

(2) In accordance with Govt. Resolution No. 6410 dated 30th September 1927, an imprest of Rs. 300 is proposed to be placed at the disposal of Mamlatdars & Deputy Mamlatdars for carrying out urgent petty land maintenance work. It is therefore doubtful if this advance may be left out of account in

SIR,

RRm 14-27-3

Adverting to your letter No.R. 1768/R.M.14-27-2 dated 13th September 1927 requesting to send a report in the matter of keeping a single impreat in lieu of several impreats in the Taluk Offices, I have the honour to state that the Deputy Commissioners and the Comptroller to Government were consulted in the matter. The replies from 7 Deputy Commissioners have been received. All the Deputy Commissioners except the Deputy Commissioner, Shimoga District are of opinion that it is preferable to allow only one impreat in lieu of several impreats to facilitate the keeping of accounts and a better check by the inspecting Officers. The Deputy Commissioner of Shimoga, while admitting that the present system of one officer holding too many impreats is cumbersome, still thinks that it facilitates adjustments. The Comptroller to Government in his letter No.T.A.D.C. 264 dated 23rd September 1927 states that a single impreat may be held by an officer for all Departments under his control in lieu of several impreats.

I agree with the Comptroller and am of opinion that the amount of impreat for a Taluk Office may be fixed at Rs. 100/- and for a Sub Taluk office at Rs. 50/-.

The replies from the Deputy Commissioners and the Comptroller to Government are submitted herewith in original for favour of reference and kind return.

5. Letter No. 999-27-28, dated the 24th April 1928, from the Revenue Commissioner in Mysore, stating that an extra imprest of Rs. 100 may be allowed in the case of taluks in which the system of the Record of Rights is introduced.

6. Paragraph 9 (2) of Government Order No. R. 2758-826—R. M. 2-27-4, dated the 25th September 1928, directing that the Amildars of Taluks where distress prevails, may be given during such seasons an imprest of Rs. 250 each to enable them to carry out petty relief works.

ORDER No. R. 6144-55—R. M. 14-27-7, DATED 2ND—4TH FEBRUARY 1929.

At present the Amildars of Taluks have at their disposal several imprests for various objects, *e. g.*, repairs of Survey boundary marks, tank maintenance works, malnad improvement, inam advance and lock-up advance, etc. As the present system of one officer holding several imprests is cumbersome, it was considered desirable to allow only a single imprest to facilitate the keeping of accounts, and a better check over expenditure by the inspecting officers. The Revenue Commissioner who was requested to examine the question has, in consultation with the Deputy Commissioners, recommended that a consolidated imprest may be sanctioned to the Amildars for all departments under their control, the amount of such imprest being fixed at Rs. 100 in the case of each Taluk and Rs. 50 in the case of each Sub-Taluk. The Comptroller also agrees in this view. Government accept the above recommendation and direct that a single consolidated imprest of Rs. 100 (one hundred only) for each Taluk Office, and Rs. 50 (fifty only) for each Sub-Taluk Office be sanctioned. The last sentence of Rule 85 (*b*) of the Land Revenue Rules providing for a separate permanent advance for the erection of boundary marks in occupied lands on default by the raiyats will accordingly be deleted.

2. The Revenue Commissioner suggests the grant of an additional imprest of Rs. 100 for each of the Taluks where the scheme of the Record of Rights is introduced. Government however observe that as the circle officers in charge of survey operations in such Taluks are given a separate imprest, there is no necessity to allow another imprest in this connection to the Amildar. The amount, if any, required by them for the Record of Rights work may be utilised out of the consolidated imprest referred to above and recouped in the usual course.

SIR,

With reference to your letter No.R.5086/RM. 14-27-5 dated the 9th January 1928 enquiring whether any and what extra imprest is required to Taluk Offices for Record of Rights, I have the honor to state that the Deputy Commissioners of Bangalore, Shimoga and Chitaldrug who were consulted in the matter have replied that an imprest is necessary. They however differ as to the amount that should be held as imprest. The Deputy Commissioner, Shimoga, has suggested Rs.100/- whereas the Deputy Commissioner, Chitaldrug suggests a sum of Rs.300/-. The Deputy Commissioner, Bangalore District has suggested a sum of Rs.25/- in one communication and Rs.50/- in another. I am of the opinion that a sum of Rs.100/ may be allowed as an extra imprest in the case Taluks where the Record of Rights System is introduced.

2. Government Order No.R.2315-25/L.R. 312-26-5 dated the 30th September 1927 directing among other things, that an imprest of Rs.300/- be placed at the disposal of Amildars for carrying out urgent and petty tank maintenance works.

3. Letter No.C.999/27-28 dated the 25th November 1927 from the Revenue Commissioner in Mysore, forwarding the opinions of the Deputy Commissioners of Districts and the Comptroller to Government, together with his own on the above subject.

4. Letter No.549 T.A.R.C. dated the 18th January 1928 from the Comptroller forwarding a statement showing the various imprests held by the several Taluk Amildars out of the General Revenues.

5. Letter No.999/27-28 dated the 24th April 1928 from the Revenue Commissioner in Mysore stating that an extra imprest of Rs.100/- may be allowed in the case of Taluks in which the system of the Record of Rights is introduced.

6. Paragraph 9 (2) of Government Order No.R.2758-826/R.M.2-27-4 dated the 25th September 1928, directing that the Amildars of Taluks where distress prevails, may be given during such seasons an imprest of Rs.250/- each to enable

enable them to carry out petty relief works.

Order -- No. R 6144-48
R 1114-97-7

Dated Bangalore, the 7/4

At present the Amildars of Taluks have at their disposal several imprests for various objects e.g., ~~revenue expenditure~~, repairs of survey boundary marks, ~~referred to in Rule 85 (b) of the Land Revenue Rules~~, tank maintanance works, malnad improvement, Inam Advance and lock-up advance etc. As the present system of one officer holding ~~too many~~ several imprests is cumbersome, it was considered desirable to allow only a single imprest to facilitate the keeping of accounts, and a better check over expenditure by the inspecting officers. The Revenue Commissioner who was requested to examine the question has, in consultation with the Deputy Commissioners, recommended that a consolidated imprest may be sanctioned to the Amildars for all departments under their control, the amount of such imprest being fixed at Rs.100/- in the case of each Taluk and Rs.50/- in the case of each Sub Taluk. The Comptroller also agrees in this view. Government accept the above recommendation and direct that a single consolidated imprest of Rs.100/- (one hundred only) for each Taluk office, and Rs.50/- (fifty only) for each Sub Taluk office

office be sanctioned. The last sentence of Rule 85 (b) of the Land Revenue Rules providing for a separate permanent advance for the erection of boundary marks in occupied lands on default by the ryots will accordingly be deleted.

2. The Revenue Commissioner suggests the grant of an additional imprest of Rs.100/- for each of the Taluks where the scheme of the Record of Rights is introduced. Government however observe that as the circle officers in charge of survey operations in such Taluks are given a separate imprest, there is no necessity to allow another imprest in this connection to the Amildar. The amount, if any, required by them for the Record of Rights work may be utilized out of the consolidated imprest referred to above and recouped in the usual course.

3. As regards the imprest of Rs.300/- sanctioned in Government Order No.R.2315-25 L.R.312-26-5 dated 30th September 1927 read above for Tank Maintenance works to be executed on default by ryots, the procedure prescribed in Government Order No.R.1823-33/ L.R.373-27-2 dated 27th August 1928, dispenses with the necessity for a separate imprest on this account. The imprest of Rs.250/- proposed to be placed at the disposal of Amildars, is intended for use in particular Taluks on occasions when distress due to drought prevails, and it will be in addition to the single consolidated imprest sanctioned
